GIVE THE GIFT OF 'LOCAL HOPE' to INDIGENOUS FAMILIES in GUATEMALA

Chicken coops, school backpacks, laying hens, clean water, hot meals

This holiday season, instead of buying things for people they really don't need (and may not want), sponsor gifts that will honor your family and friends AND provide real benefits for people in-need in Guatemala — meaningful gifts that will *keep on giving!*

For more than 30 years, non-profit [Local Hope Guatemala](#), has been empowering marginalized families and communities in Guatemala to be healthy, educated and self-reliant. You can help.
